

CORRIGENDUM

Corrigendum to *“Victorian Inspectorate Report to the Parliament of Victoria pursuant to:*

- *Section 39 of the Crimes (Controlled Operations) Act 2004,*
- *Section 131T of the Fisheries Act 1995, and*
- *Section 74P of the Wildlife Act 1975*

2016-17”

(published as “Controlled Operations - Annual Report 2016-2017 – All-agencies”)

The Victorian Inspectorate (VI) regrets to advise that some statistical errors have been identified in this report. These errors and the corrected data are shown below. Please note that the errors at items (1) and (2) were originally made in the previous report made by the VI (for 2015-2016).

- (1) On page 13, at Table 1, the number of authorities issued in 2015-2016 was incorrectly recorded as 131. Rather than representing the number of authorities issued during the period, this number instead represents the total number of authorities that were active at any stage during this time. The correct number for authorities issued in 2015-2016 is 100.
- (2) Also on page 13, the number of authorities issued during 2016-2017 was incorrectly recorded as 141. This number should instead be shown as 112.
- (3) On page 14, the number of authorities that were either expired or cancelled in 2016-2017 was incorrectly recorded as 137. This correct total number is 119.

The VI apologises for any inconvenience caused.
